Important Notice to Policyholder

(applicable to policies with a renewal date on or after 12 August 2016)

The Insurance Act 2015 (the 'Act') significantly reforms UK insurance contract law in a number of areas, including the following:

- the pre-contract duty of disclosure for all non-consumer insured persons. The Act introduces the new duty to make a "fair presentation of the risk";
- the insurer's remedies for breach by an insured person of the duty of fair presentation;
- remedies for breach of warranty and other terms; and
- the insurer's remedies for fraudulent claims.

The main aspects of the Act come into force on 12 August 2016 and in light of this NIG has updated its policy documentation.

This notice is to inform you of such changes and certain other updates, but does not form part of your policy. Please read your updated policy documentation carefully and contact your broker, intermediary or agent, who arranged the policy, should you have any questions.

Your policy wording changes are summarised as follows:
